

Cambridge Christian School
Summer Reading and Math Assignments
For Students entering 4th Grade
2018 - 2019

Welcome to 4th grade! I am looking forward to getting to know you this year. Please choose one of the following books to read and then answer the following questions in your own handwriting. Use cursive if you can. Use complete sentences. Use paragraph format for each number. There will be six paragraphs when you are finished. Please staple all papers together and be ready to turn this in at the Back to School Bash.

Remember, Those who read, succeed!!!

2018 Summer Reading Assignment
for Students entering Fourth grade.

Name _____

Please answer each question in complete sentences.

1. Why did you select this book? What are your favorite books to read? Why?

2. Describe your favorite character in the book. What was interesting about this character? Would you want this character to be your friend? Was there something you didn't like about this character?

3. What was the purpose of the book? What would you want readers to learn if you wrote a book?

4. What was the most exciting part? Why?

5. If you could change the ending, what would you have written differently? Explain why.

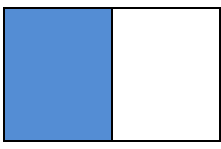

6. On a separate sheet of paper, draw, paint OR create an artistic rendering (mosaic, comic strip, layered/torn paper, etc.) of the scene from the book that impacted you the most. Label it with a title describing your work.

7. Write a paragraph describing how this scene in the book changed your thinking. Why did you choose this? What changed in the way you think about things? How will you remember this from now on?
