2019-2020 Discounts

Sibling Discount – This **\$200** discount is available to each family with more than one student enrolled at CCS. The oldest student will pay the full tuition and each additional sibling enrolled from the same family thereafter will be eligible to deduct \$200 from their total tuition. Children must be siblings living in the same household with parents/guardians (except for court-ordered shared custody or guardianship arrangements) who are financially responsible for tuition in order to be eligible. If a student who has received this discount withdraws or is dismissed before the end of the school year, the amount of this discount will be reversed in determining the tuition and fees due for the portion of the year the student attended CCS.

Kingdom Family Training Discount – This **\$250** discount is a one-time discount offered to all families for attending two of the following five Kingdom Family Training areas:

1. Kingdom Parenting 101 – Will be offered during the spring semester of every school year on campus at Cambridge Christian School. Parents may only attend this offering one time to be counted towards discount.
2. Financial Peace University – Financial Peace University or a financial planning equivalent may be used as one of the four Kingdom Family Training opportunities.

* All conferences can be attended through local churches and must include foundations of biblical principles. * If a student who has received this discount withdraws or is dismissed before the end of the school year, the amount of this discount will be reversed in determining the tuition and fees due for the portion of the year the student attended CCS.

Cambridge Christian School Tuition Assistance Program 2019-2020

Every child should have the opportunity to receive a **Kingdom Education**: a life-long, Bible-based, Christ-centered education that leads him to Christ, disciples him in Christ and equips him to serve Christ. In America today, getting a Kingdom Education for your children is not free, but it is the most precious thing you can give them. Unlike a secular education which only prepares a child for college or life, a Kingdom Education is for eternity. Since your child will live forever, shouldn't his/her education?

The tuition at CCS is among the best values for parents in the Tampa community. Yet for a number of our families, it is still an unreachable challenge without assistance. In order to grant access to a Kingdom Education at CCS for more families, the school began a Tuition Assistance Program. This program provides financial assistance to families who need help managing the tuition. To be considered for tuition assistance, a new student must first apply to the school, pay the application fee, and be accepted for admission. Current students must pay the annual continuous enrollment fee. All grants are awarded on the basis of the family's financial need as indicated by an independent third party assessment service and availability of funds for making grants. If the tuition assistance offer does not meet the family need, the enrollment fee may be refunded. To receive this refund, application for tuition assistance must be fully completed and verified by May 1st. For any returning students applying for tuition assistance after the May 1st deadline, the family forfeits their enrollment fee and will be subject to the withdrawal policy in the Continuous Enrollment Agreement.

It is our hope and desire that no family would fail to return based solely on financial need. Therefore, CCS encourages families and businesses that God has blessed to give to the CCS Moses Fund so that other families can attend. All gifts are tax-deductible.

Cambridge Christian School utilizes the online service of FACTS Grant & Aid Assessment to process applications. FACTS does not decide whether tuition assistance will be given or how much to give; rather, FACTS provides a need-based financial aid analysis service which includes a recommendation of what a family should reasonably contribute toward tuition. All information from FACTS is kept confidential. Results are reviewed by the Tuition Assistance Committee who makes final decisions based on next year's budget. Upon approval by the Committee, tuition assistance offers are then sent to families.

As a reminder, you must re-apply each year. To start the process, please do the following:

- Log onto the FACTS Grant & Aid website using the link. <https://online.factsmgmt.com/ga/aid/inst/4LZ6B>
- The application process is self-guided. You may navigate in and out of the program allowing you to partially complete an application and go back to it at another time. Online email and a 24/7 helpline is provided.
- The charge for the application is \$35 to be paid by credit card at the end of the session. If you do not have a credit card please call the Business Office at 813-872-6744 ext. 266 for assistance.
- Once an online application has been completed, the following information will need to be sent to FACTS to complete the application process:
 - Copies of your 2018 Federal tax forms including all supporting tax schedules.
 - Copies of your 2018 W-2 forms for both you and your spouse.
 - Copies of supporting documentation for Social Security Income, Welfare, Child Support, Food Stamps, Workers' Compensation, and TANF.
- All supporting documentation can be uploaded in pdf format online. Documentation can also be faxed to 866-315-9264 or mailed to the address below. **Please be sure to include the applicant ID on all faxed or mailed correspondence.**
 - FACTS Grant & Aid Assessment
P.O. Box 82524
Lincoln, NE 68501-2524
- **Online application submissions may begin starting January 2, 2019.**
- **The 2019-2020 online submission deadline for early consideration is February 15, 2019.**

While no financial aid procedure can be entirely equitable – there are simply too many individual factors and extenuating circumstances – this process that has been selected should serve our school community well. Among its many features is the ability to further secure your financial data and maintain the high degree of confidentiality that past recipients most appreciate.

Q: What is Continuous Enrollment?

A: Continuous enrollment will mean that year after year you will not be required to complete a new enrollment agreement. Students will be continuously enrolled from the time of their initial enrollment until they graduate from Cambridge Christian School. Continuous enrollment will allow us to streamline the enrollment process, maximize our resources and save families time and effort.

Q: How is Continuous Enrollment different from the annual re-enrollment process?

A: Under the traditional re-enrollment process, a new enrollment agreement would have to be signed every year. With a continuous enrollment agreement, you never have to re-enroll again (unless your family plans a change). In the event your continuous enrollment does need to change, you will have until May 1st every year to simply notify the Business Office in writing without a withdrawal fee assessed (*see Tuition and Enrollment Fees document for more information*).

Q: Will I still pay an annual Enrollment Fee with Continuous Enrollment?

A: Yes. The Continuous Enrollment Fee will need to be paid annually for each student in order to hold your student's place for the following school year.

Q: How will the Continuous Enrollment Fee be collected each year?

A: The Continuous Enrollment Fee for each student is billed to the family's RenWeb account in January. **For full pay, semester pay and non-ACH families, payment is due in full by February 1st.**

Smart Tuition families: The Continuous Enrollment Fee will be divided into three installments, and applied to each family's Smart Tuition account for withdrawal on February 5th(20th), March 5th(20th), and April 5th(20th). ***Smart Tuition families who do not want their Continuous Enrollment Fee applied to their Smart Tuition account must notify the Business Office at billing@ccslancers.com on or before January 31st. Payment is then due in full by February 1st.***

Q: What happens if I do not pay my Continuous Enrollment Fee?

- A:
1. A \$30 per month late fee will be charged to the family's RenWeb account if the Continuous Enrollment Fee is not paid by February 1st; and
 2. The student will remain in an open status and not placed on the student list. Once the Continuous Enrollment Fee and late fees are paid, the student will be placed on the student list as space is available.

Cambridge Christian School New Family Referral Program

We desire to be creative in providing returning families incentives to tell others about Cambridge Christian School. Further, we want these incentives to benefit both the referring family and the new family that is referred. The previous program offered \$200 to current families that referred a new student that subsequently enrolled. The *New Family Referral Program* offers current families a 5% discount off Cambridge Christian School tuition, calculated on the new family's tuition.

Details of the program:

- 1) After the new family applies, is accepted, enrolls, and attends, your family will receive a tuition discount to reflect 5% of *the new family's* total tuition. This program is limited to the referral of NEW families enrolling students in CCS and does not apply to students returning nor families who have previously had students at CCS.
- 2) Further, the referred family will receive a 5% discount off of their tuition bill.
- 3) For example: Mr. Lion (CCS parent of one currently enrolled student) refers Mr. and Mrs. Cub (new prospective parents) to Cambridge Christian School. Mr. and Mrs. Cub verifies Mr. Lion's name on the online student(s) application. Once accepted, they enroll three students at Cambridge Christian School. If the Cub family's tuition is normally \$20,000, after applying the 5% discount, it is now \$19,000. But do not forget Mr. Lion's benefit! Mr. Lion receives the same discount – 5% of the tuition *brought in*. If his tuition is normally \$7,000, it just became \$6,000 – that's \$1,000 off!
- 4) The best news is that there is no limit to how many 5% awards you can receive. If you end up paying your tuition in full through this program, keep referring... we will start paying you your 5% in cash!
- 5) This program pertains to enrollment *for the 2019-2020 school year only*.
- 6) This program applies only to tuition.
- 7) This program will be in effect from January 7, 2019 to August 31, 2019. Cambridge Christian School reserves the right to extend or discontinue this program at any time.
- 8) Once all criteria have been met, both families will receive the 5% tuition discount after the new family has started school (50%) and remains in good standing to second semester (50%). Half of the discount amount will be credited to your tuition obligation during the second week of school. The second half will be credited at the beginning of second semester.
- 9) Referring families that pay in full and qualify under this program will receive a check in the mail, whereas referring families that utilize the monthly payment plan through Smart Tuition will receive the discount on their monthly amount.
- 10) As with all CCS discounts, if a student who has received this discount withdraws or is dismissed before the end of the school year, the amount of this discount will be reversed in determining the tuition and fees due for the portion of the year the student attended CCS.

Eligibility for **Referring Families**:
