

AP Computer Science Principles

Cambridge Christian School 2021-2022

Mary Saville, Instructor

Summer Work

1. Have your student [create Code.org accounts](#) with their own email addresses. If they already have a Code.org account associated with their email address, they can skip this step.
2. Have your students visit this link to join our section: <https://studio.code.org/join/MCSVKS>
3. Complete the pre-course survey, and Unit 1 Lessons 1 and 2.
4. Email Mrs. Saville at msaville@ccslancers.com when you are complete!
