LANCER ATHLETIC FAMILY:

The middle and high school years are a time for exploring new things, developing talents, and discovering passions. Athletics provide a great venue for this growth. The only thing that rivals our own athletic experience is cheering on our children as they experience the same. I think the butterflies in my stomach were (and are) more active as a parent than they were even as a student-athlete. We view all Lancers as our own, so the butterflies are alive and well every week!

Athletics mirror life. The ups are tremendous, and the downs can feel devastating. As parents, let's commit to building our children up. Let's stop short of living vicariously through our kids, and let's be clear about communicating where athletics fall in the scope of life. Our athletics motto is, "Every Athlete a Disciple." Towards that end, may we model putting Christ first and others next. Utopia is doing these things and picking up some championship banners along the way! Still, championships without Christ and character are empty and temporary.

When our student-athletes see us model a consistent walk with Christ, the chance of them striving for the same increases dramatically. We are preparing students for college, which for some will include athletics, but more importantly, we are preparing them for life. I look forward to cheering on our kiddos alongside you this year!

A WORD FROM OUR AD:

The mission of Cambridge Christian School Athletics is to honor God in all things and make "Every Athlete a Disciple". Sports provide an excellent opportunity for discipleship as students learn many important life lessons on sacrifice, self-discipline, perseverance and community. CCS desires to prepare young people for life as Christian leaders who choose character before career, wisdom beyond scholarship, service before self, and strive to follow God's will for their lives. Go Lancers!
