

## CCS English Summer Reading Assignment 2025

**Purpose:** Cambridge Christian School desires every student to learn and grow in their walk with Christ. We aim to cultivate this in Bible class, through a biblical worldview woven throughout all our courses, and chapel amongst other means. To this end, we have modified our summer assignments to help students focus on their relationship with Christ providing timely Christian literature to aid in the process.

In addition, we find value in helping our students grow as leaders. A wise leader once said, “you will be the same person you are five years from now except for the people you meet and the books you read.” Leadership takes on many forms, but we believe God has called our students to lead in a godly manner advancing His kingdom. Therefore, students who are interested in furthering their summer reading, may choose a leadership book from the leadership book list below, or other Christian leadership book, to further their growth and receive a small award.

**Directions:** Each student must read the book listed below as their summer reading assignment. There is an assignment that accompanies the read and is explained below. The assignment is due on the first day of school to their English teacher. New students admitted to CCS after July 15<sup>th</sup> have until August 13<sup>th</sup> to submit the assignment for full credit.

If a student chooses to read a 2<sup>nd</sup> summer reading leadership book (See options below under Leadership Book Options), complete the activity to accompany the read, submit the form to their English teacher on the first day of class, they will receive a free jeans day pass.
