SUMMER READING ASSIGNMENTS
STUDENTS ENTERING 4th and 5th GRADES**

Dear Students and Parents,

This summer students are going to read selections from <http://textproject.org/classroom-materials/students/summerreads>. When you go to the web page you can download and print your assignments. The booklets may be printed in black and white. Complete instructions and more information for parents are on the site.

Students entering 4th grade should print and complete the level D booklets. Students entering 5th will print and complete level E. Each ZIP file contains all seven PDF titles in the grade-level series. It is totally free. Please bring all 7 of your completed booklets to school on your first day back.

Have a wonderful summer! Happy Reading!
