

PURPOSE

The Purpose of Cambridge Christian School is the formation and operation of a college-preparatory education institution offering Preschool, Lower, Middle and Upper School instruction to children through grade twelve within an environment reflecting an expression of Reformed Evangelical Christian faith utilizing the Holy Bible as the ultimate standard of faith and conduct.

MISSION

The Mission of Cambridge Christian School is to glorify God in all that we do: by demonstrating excellence in Academic, Athletic and Artistic programs; by developing strength of character; and by serving the local and global community.

PHILOSOPHY

Cambridge Christian School is a biblically based, evangelically oriented institution founded upon the Great Commission of our Lord Jesus Christ as recorded in Matthew 28:18-20.

As a ministry, the school has the responsibility to prepare students to be able to live a godly life centered on biblical principles and personal faith in Jesus Christ.

Cambridge Christian School's educational purpose is to prepare students for higher education, to train them in the area of responsible citizenship and to teach them to treat each other with respect as equals in the Lord. These goals are to be carried out in such a manner as to glorify God and set an example for other schools, public or private. The major project to establish standards of excellence for each objective continues to be developed.

Our ultimate, long range goal is to be an excellent school in the state of Florida, accountable to God. This requires that every task, great or small, must be done in an excellent manner consistent with expectations that are set at the highest possible level. Additionally, this means that all teachers or administrative personnel are to be born again Christians, have made a credible profession of faith in Christ and be members of an evangelical church. As professionals, they are expected to meet all criteria as set by the Board of Trustees of Cambridge Christian School.
