The books listed above are suggestions, not requirements. There are many excellent books to enjoy this summer. Please don't let these recommendations limit your child's enthusiasm for reading. The most important requirement is to encourage your child to "read" with you daily and to cherish the times that you read together. You may also visit www.theschoolbell.com for additional reading resources.

Kindergarten Summer Reading Assignment

Choose a favorite book that you have read this summer.

On an 8 ½ " x 11 " piece of paper, use crayons to draw the part of the book which you liked the best.

Write your name and the book title at the top of your paper.

Please bring your drawing to class on the first day of school.

Writing and Math worksheets
For students entering Kindergarten
2017-2018

Dear Parents,

We work very hard on **correctly** writing numbers and letters of the alphabet. Please use these sheets as a reference as to which pencil stroke is first, second, etc. Many times the children get frustrated as they get conflicting directions from school and home.

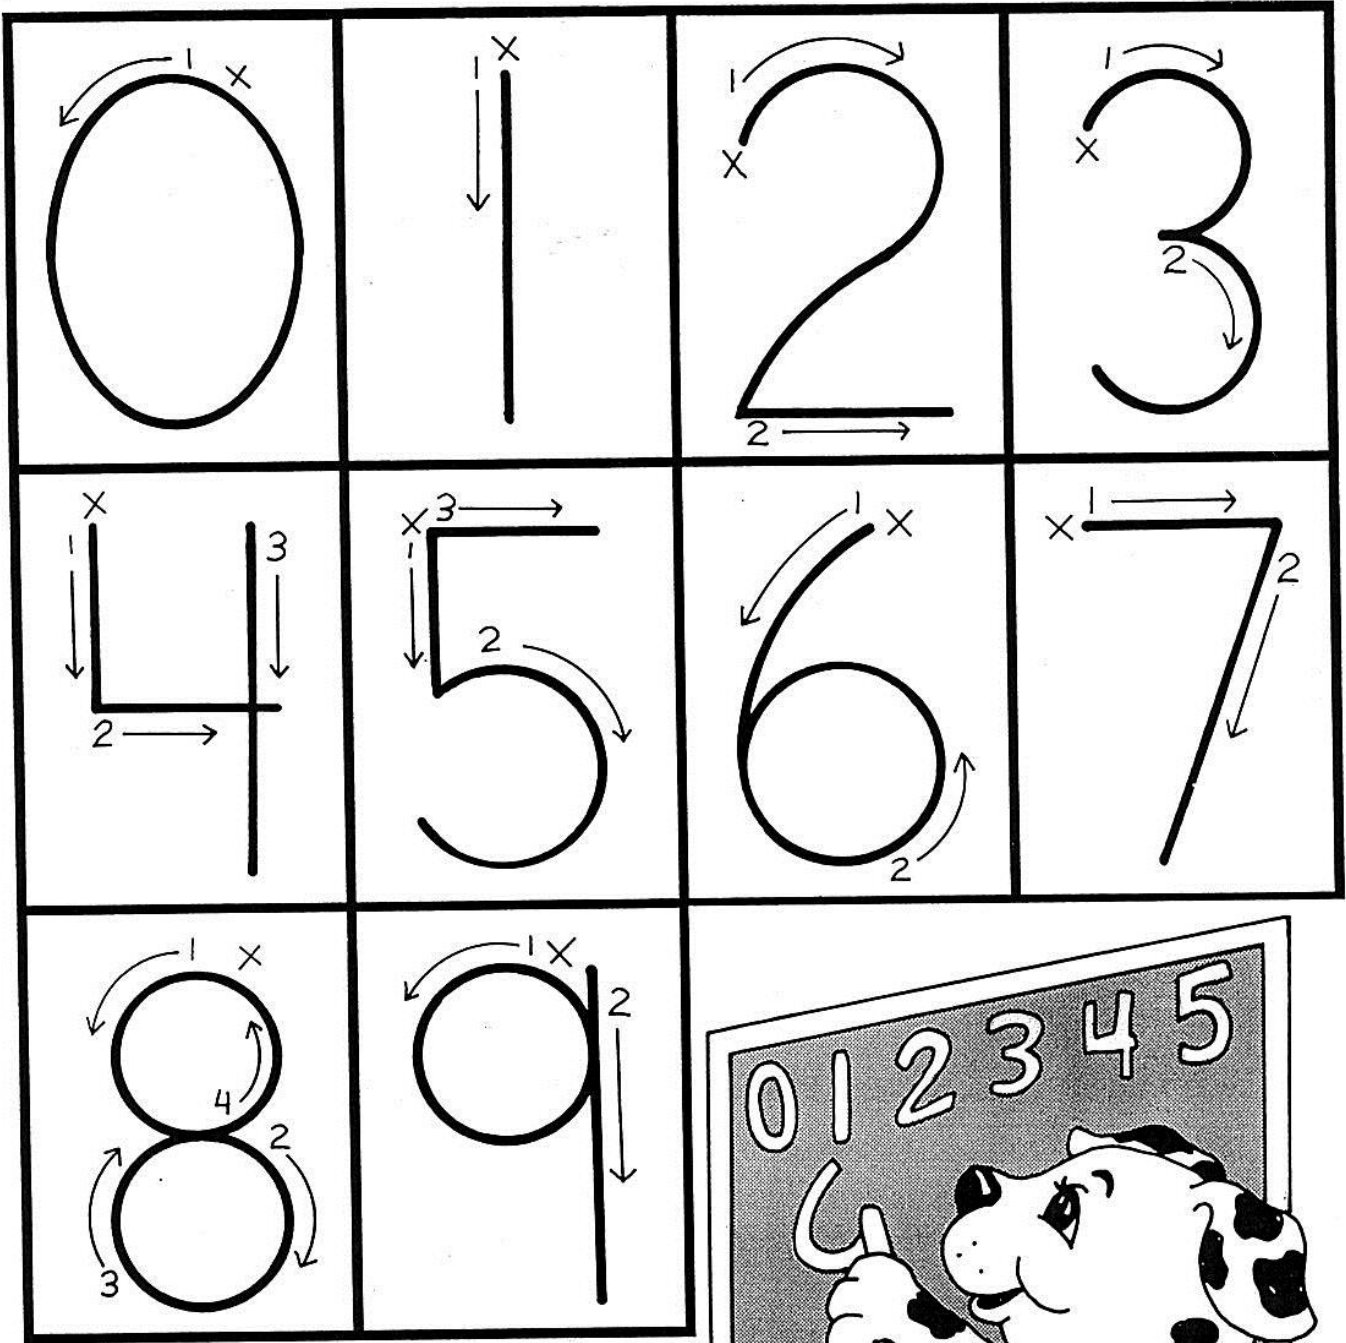

Thank you for partnering with us to help make your child's year a successful and unstressful one!

Blessings!

Mrs. Martin and Mrs. Uzzillia
